

PUBLIC NOTICE

This facility is a food premise owned, operated or leased by a religious or fraternal organization or service club. As such, it is exempted from routine public health inspections under Ontario's Health Protection and Promotion Act and its Regulation 562, Food Premises.

**Northwestern
Health Unit**

www.nwhu.on.ca

This special event, to which the general public has been invited, may include foods that originate from a private home or facility that is also not inspected under Regulation 562, Food Premises.

LIST OF FOOD DONORS

A List of Donors who have provided food for this event is kept by the sponsoring organization and shall be made available to the Public Health Inspector at the Northwestern Health Unit on request.
