

# Healthy smiles Ontario

Good oral health is important for overall health, but regular dental care is not always affordable. *Healthy Smiles Ontario* is a new program that provides free essential dental care to children who do not have access to any dental coverage.

The program covers a full range of care including:

- Regular check-ups
- Cleanings
- X-Rays
- Fillings
- Scaling & More

Eligible children must be:

- 17 years of age or younger
- Residents of Ontario
- Members of a household with an Adjusted Family Net Income of \$20,000 per year or below

Eligible children must not have access to any form of dental coverage (including other government-funded programs, like Ontario Works).
