**HCP Advisory: Babies born from March to July may have missed their infant hearing screens**

Please be advised that any babies born from March to July 2020 may have missed their infant hearing screens due to COVID-19 service disruptions. If you have any patients that have missed their screens please call us or ask the parents to call us at 1-877-553-7122.

Please contact me if you have any questions or concerns.
